- 1 Song (Vocalversion) 85€ -> on a 5h basis
- 10 - 12 Songs (Vocalversion) 850- 1200 €

Prices for mixing are more difficult to calculate.

I want to satisfy you in the first place but also need to keep my quality standards.

I try to keep my projects financeable and reasonable for the customers at the same time , I have to make sure it is feasible and workable on my part.

The more complex or extravagant a song appears / the more individual instruments, audio tracks or layers are part of your arrangement, the longer it takes to get it mixed.

Mixing & Mastering (complete)

- 10 -15 Songs (Vocalversion) 1200 – 1500€

Please refer to these calculations and do not hesitate to get in contact with adam.

I 'll get right back at you with an offer..

Thank you very much for your visit.
